

Pratiksha Govind Pawar

Career Objective

I am actively seeking a Computer Science position where I can leverage my front-end and Back-end development skills (HTML5, CSS, JavaScript, React.js, Node.js, Express.js and MongoDB) to contribute to your organization’s growth. As an aspiring MERN stack developer, I am eager to expand my expertise and make a meaningful impact on your team’s success. If you're looking for a dedicated and driven developer, I would love to connect and discuss potential opportunities.

Knowledge

- Developed and maintained web applications, ensuring responsiveness and functionality.
- Strong understanding of frontend technologies, with a focus on React.js for building dynamic UIs.
- Built intuitive user interfaces using CSS frameworks like Bootstrap for better user experience.
- Worked on backend development using Node.js and Express.js, integrating with MongoDB for data storage.
- Created and consumed RESTful APIs to enable seamless communication between frontend and backend.

Skills

Technical Skills

Programming Languages: JavaScript, HTML5, CSS. **Frameworks and Libraries:** React.js, Node.js, Express.js

Tools and Platforms: Git, GitHub, AOS (Animate on Scroll), Bootstrap. **Database:** MongoDB.

Tools: VS Code **Soft Skills:** Agile methodology, Debugging, Troubleshooting, Code Documentation

Education

06/2021 – 04/2024	BSc(ComputerScience)
Pune	MIT College
