📍 Tirur, Kerala

## EDUCATION

### Bachelor of Computer Applications SAFA ARTS & SCIENCE COLLEGE

2023 - Present

valanchery, Kerala

## PROJECTS

### Billing-Suite

- Flutter-based billing app designed to streamline invoice generation and management. It features customizable billing entries, dynamic calculations, and PDF generation with watermarking, offering an intuitive interface for efficient billing

### Attendance-Management

- Flutter-based attendance system for recording and viewing attendance. It stores data locally and allows downloading the list as a text file.

### Service-Marketplace

- web platform for easy service selection. Customers can add services to their cart, fill out a form, and send booking requests directly via WhatsApp.

### stopify

- Stopify is a custom music player web app inspired by Spotify. It lets users browse playlists, search tracks, shuffle songs, and enjoy a responsive audio player.

### G-Shark

- G-Shark Watch is a deauther device built into a G-Shock body, inspired by Wireshark. It can disconnect Wi-Fi devices, perform evil twin attacks, and analyze networks. Designed for security testing.
